Applied Mechanics Department

स्पंदना 2021-22

Where do we stand

Higher and Technical Education
 Minister : Shri Uday Samanth

Director of Technical Education
 , Dr Abhay Wagh

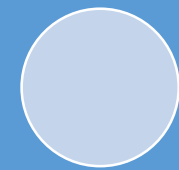

Joint Director, Regional
 office, Department of Technical
 Education, Dr D V Jadhav

Principal, Government
 Polytechnic, Kolhapur, Dr D M
 Garge

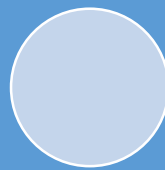

Head, Applied Mechanics
 Department, Dr Mohankumar P
 Hampali

Academics : MPECS 2016
 for TY Civil;
 MPECS2020 for SY Civil,
 SY Mech, FY Civil, Mech,
 EE, Mtx students

Departmental Testing :
 Strength and properties
 evaluation for
 Engineering Materials
 Concrete, Steel
 ,Aggregates ,bricks,tiles
 etc.

Consultancy : Structural
 Audit, Design scrutiny,
 SBC evaluation and
 structure related works.

Vision

Produce Technicians of high caliber in core engineering disciplines having potential of entrepreneurial skills, rich academic experience and field exposure.

Mission

- 1.To follow and implement the curriculum of engineering professional courses in Civil, Mechanical with high cognitive level and Electrical, Metallurgy with lower cognitive level courses.
- 2.Engage students to perform practicals as per bureau of Indian standard latest test procedures for various engineering materials involving conventional and innovative practices.
- 3.Explore and expose the students for field applications of Engineering knowhow and producing ready to employ passouts.

Academics**Odd Semester load : 130 Hours : (2021-22) ONLINE MODE**

S NO	FACULTY	Designation	Qualification
1	Dr Mohankumar P Hampali	Selection Grade Lecturer and I/C Head of Department	PhD (Struct Engg); ME (Struct Engg), BE (Civil)
2	Mrs Mamata S Morye	Lecturer	BE;.(ME)
3	Mrs Anjali M Joshi	Lecturer on CHB	B.E. (Civil)
4	Machindranath Kumbhar	Lecturer on CHB	B.E. (Civil)
SUPPORTING STAFF			
1	Shri Shailesh Sutar	Technical Lab Assistant (Electrical trade)	
	Peon		
1	Vinayak Lokhande	Peon(Tantra hamal)	
2	Kumbhar	Mali	

Even semester load : 107 hours: (2021-22) OFF-LINE MODE

S NO	FACULTY	Designation	Qualification
1	Dr Mohankumar P Hampali	Selection Grade Lecturer and I/C Head of Department	PhD (Struct Engg); ME (Struct Engg), BE (Civil)
2	Mrs Mamata S Morye	Lecturer	BE;.(ME)
V1	Ms.Rasika Sunil Pimpalkar	lecturer on CHB	M-tech (Structural Engineer),B.E. (Civil)
V2	Mr.Nilesh Anandrao Chougale	lecturer on CHB	ME -Cad /cam/cae BE-Mech
V3	Mr.Pavan B. Patil	Lecturer on CHB	B.E(CIVIL),M.Tech(structure)
V4	Mrs Anjali M Joshi	Lecturer on CHB	B.E. (Civil)
V5	Mr Balaji Salunke	Lecturer on CHB	
SUPPORTING STAFF			
1	Smt Neelkanth J V	Technical Lab Assistant (Electrical trade)	

	Peon		
1	Vinayak Lokhande	Peon	
2	Kumbhar	Mali	

Applied Mechanics Department Academic
Monitoring Odd Semester

Odd Semester campus cleaning Drive

Offline classes started with covid restrictions
mode

21st Feb, 2022 Kickstart of Even semester in offline

The Results of ODD semester on MCQ based theory exam online mode is out and results are fairly good above 90% in AMD subjects and encouraging

Testing

Compression testing machine calibration

Mix design in rotary mixer

Consultancy :

Core extractor at Jothiba

Standard Penetration test at Jothiba

Know Your Resources to shape your Career

Government Polytechnic, Kolhapur is a prestigious institute run by Directorate of Technical Education, Mumbai in Pune region. It is the first institute to be awarded academic autonomy by government of Maharashtra . Since 1992 the institute is offering state of the art curriculum to the aspirants of technical education seeking admission through centralized admission process of DTE. The multiple point entry system and credits based diploma is awarded in disciplines Electronics and Telecommunications, Civil, Mechanical, Information Technology, Electrical and Metallurgy. The Institute is Headed by Dr D M Garge for regular shift and Dr R K Sawant, for second shift (Civil, Mechanical and Electronics and Telecommunications). The exam process is under controller of Examinations Shri, V K Harlapu and additional officer Shri. Prafulla khedekar. The library has vast collection of books, journals and periodicals. Each department is having its own Library . The Civil Department has journals and Magazines related to construction field. The Applied Mechanics Deptt. Is keeping ISET journals, news letter of IEI other valuable resources in its departmental library for ready reference of scholars.. The institute nurtures all round personality development and sports culture is alive with events like IEDSSA, cricket ground, Badminton court etc available around the clock. We inculcate entrepreneurial skills, promote research and innovation.

Other activities : The first year students are enjoying live interaction on radio frequency through app Explore the Civil Engineering (Society) channel on Mentza, hosted by Shreyash Shreyash Sudarshani , Diksha Killedar and Guided by teacher Shri. B. B. Arjun sir.

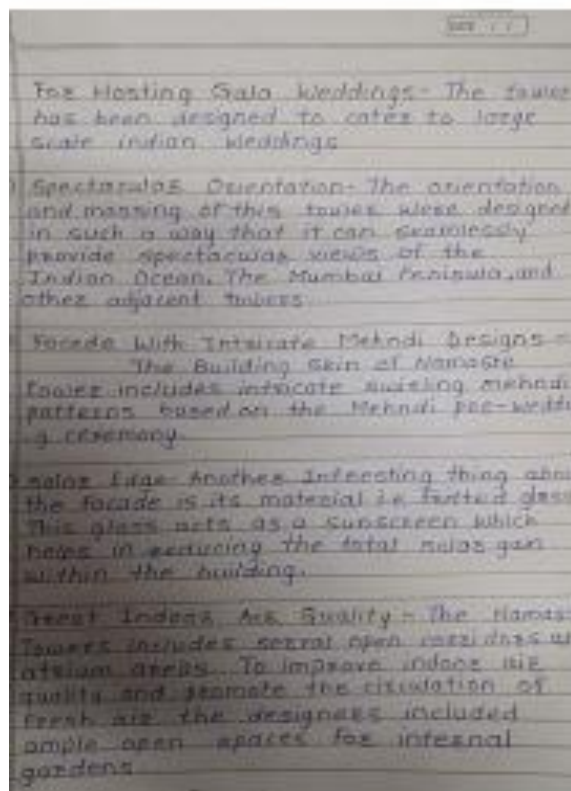

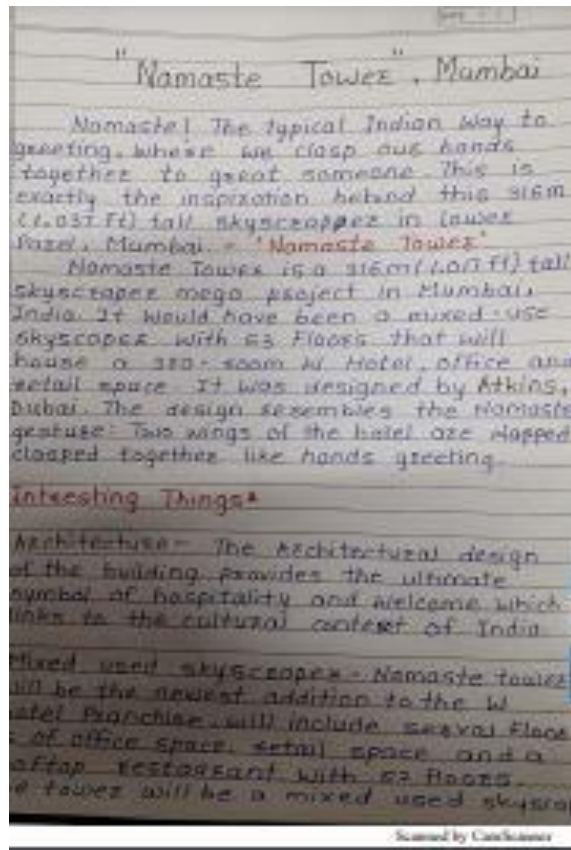

EVERY TUESDAY, 18:26.

Participate in live conversations or check out the recordings and highlights at your own pace.
